**Subject:** International Women’s Day: “Lift as You Climb”

Hi [insert.name],

To mark International Women’s Day 2026, we’re launching a “Lift as You Climb” mentoring campaign throughout March.

Our focus is supporting women’s confidence, visibility and career development through mentoring.

We’re using the **Charity Mentoring Network’s** platform which connects mentors and mentees across organisations.

During March, we’re inviting every woman to:

- Log in to the platform
- Take one action for your development such as: find a mentor, update your profile, or request a conversation

All genders are warmly invited to sign up as mentors/mentees and allies.
